REPUBLICANS CALL CONVENTION

ROOSEVELT IS ENDORSED AND CHARLEY WILSON GETS ONE MORE SOLAR PLEXUS.

The Republican Territorial Central committee settled the convention question and the Charlie Wilson matter at its regular monthly meeting last Saturday night. It was decided to hold the convention in Hilo on April 21 and to hold primaries for the election of delegates on March 26. The principal business of the convention will be to select delegates to the Republican National convention.

The Wilson matter came up by the introduction of the following resolution by John Lane, who had received it from A. G. M. Robertson: "Resolved, That it is not good policy for any committee of the Republican party to endorse any person for an office held by another, unless the person in office shall first, upon a fair hearing, having been condemned by such committee."

Chairman Crable said it was the Wilson matter over again and that the committee had never recommended anyone for a place held by a Republican. Action had not been taken in Wilson's case until it was known that he was to leave his position.

A. J. Campbell said that the resolution was out of order. Stewart said he represented Wilson and was promptly told that Wilson was not before the committee. The matter was finally settled by the adoption of the following resolution offered by E. G. Keen: "That all the acts and proceedings of the Executive Committee of the Republican Central Committee up to and including March 5th be and hereby are confirmed."

The following resolution, proposed by Lane, was unanimously adopted: "Resolved That it is the sense of this committee, that all delegates and alternates chosen from this Territory to the Republican National Convention should be men who favor the nomination of President Roosevelt, and that the Territorial Convention should receive from each of such delegates and alternates upon his nomination and before his election a pledge in writing, that, if elected, he will work earnestly for the nomination of the President."

No action was taken on the Home Rule communication asking that the parties co-operate in trying to secure county government from Congress.
